Incentive Program News

Please turn in all your logs (July-December) by **Dec. 22nd** so I can process the incentive checks as quickly as possible. You do not need to worry about filling out the last week of December.

Also, the Incentive Program resets in January after the new premium reductions take affect. Some participants no longer need to participate, and others will be joining the program. So, while you may already know that you will be continuing with the program, letters welcoming all participants will be going out in January.

Have a very happy and healthy Christmas and New Year!
